Political parties can't be pro-growth and anti-business

1

Does your party believe that the security of property rights is important for investment and growth?

2

Does SA spend too much time attacking existing firms and too little on how to get more new firms?

3

How would your party work with business to increase investment, growth and employment?

4

President Ramaphosa has said, "We should treat our entrepreneurs as heroes." Does your party agree?
