

## **Dr Reuel Khoza**

Dr Reuel Khoza is a well-known academic, businessman, and public speaker. He is currently chairman of Dzana Investments (Pty) Ltd, Discovery Bank and Assupol Insurance Group and Hlayisani Capital among others. He is Chancellor of the University of KwaZulu-Natal, former Professor Extraordinaire of the University of Stellenbosch Business School and currently the Visiting Professor at Rhodes Business School, the University of Free State Business School and Wits Business School.

He has chaired the boards of such corporations as Eskom Holdings, the Public Investment Corporation (PIC), Nedbank Group, Globeleq, GlaxoSmithKline South Africa and served as a director of JSE Limited, IBM South Africa, Liberty Life Group, Standard Bank Group, Nampak Limited and Old Mutual plc. He has been involved in the formulation of the King Codes on Corporate Governance, serving as Mervyn King's deputy in the third and fourth instances. Until recently he was the Chancellor of the University of Limpopo.

He has authored six books including *Attuned Leadership*, *Let Africa Lead*, *The African in my Dream* and *The Power of Governance* (with Mohamed Adam).

Outside of business and academia, Reuel is a keen farmer of avocados, pears, and macadamia nuts; his family trust venture in farming has been rated the second largest exporter of avocados to Europe.
